- **Key Community Events**

- **Facility / Service Closures or Changes**

- **Primary mission**: Provide dental treatment to service members on active-duty orders for 30 days or more. Family members can get an SNA from the clinic to get care in-town utilizing United Concordia.
- There are limited appointments with Pediatrics for active-duty sponsored children under 12 and Orthodontics are space dependent.
- Oral Surgery and Endodontics (root canal) support is limited but available, however more complex cases will be referred to Grafenwoehr.
- Reminder – clinic is closed for lunch Monday thru Friday 11:20 – 12:20.

- **Other Items of Community Interest**

- All command sponsored active-duty family members should establish dental care within the community by utilizing the TRICARE Dental Plan. Contact United Concordia at (844) 653-4060 to enroll. Wait times for new patients on the economy can be long, so family members should establish a dental home immediately upon arriving in Germany.
- Readiness: The accuracy/efficacy of readiness status has proven less than excellent between MHS Genesis and MEDPROS . We understand that some readiness numbers feed into service-specific systems that we do not have visibility on. If you are a unit leader tracking readiness and are finding systematic issues or need solutions to improve dental readiness, please feel free to reach out to LTC Johnson.
