Child & Youth Services

Mission = Full Day Spaces

Only Full Day Spaces offered at the CDCs:

- CYS has been using *The Creative Curriculum* for over 15 Years.
- With the implementation of Universal Pre-K, we expect to see a reduction in our 1C.1, 1C.2, 1D.1 and 1.D.2 priorities utilizing Full Day care in our Pre-K classrooms.
- These Full Day spaces could then be offered to other patrons – currently over 90 children on the Preschool waitlist.
- Anticipating a reduction in need for Pre-K full day spaces, we are afforded some flexibility on how to utilize our Full Day classrooms.
 - *Preschool/Pre-K Rooms 1:10 Ratio. 120 Total Full Day Spaces available between the three CDCs.*
 - *Will offer “Specials” by partnering with Sports and SKIES.*
 - *Preschool/Toddler Rooms 1:7 Ratio. Determined at each facility based on waitlist needs. Currently have over 60 children on the Toddler waitlist.*

Part Day Programs: 9 September 2024 - 22 May 2025

- Part Day Preschool continues at RB SAC, M - F, 0900-1200
- Part Day Preschool & Toddler offered at Patch, Building 2347, M – F, 0900-1200
- Part Time Preschool & Toddler offered at Patch, Building 2347, M – F, 0800-1300

• Facility / Service Closures or Changes

• There is a Europe-Wide reduction in dental care to standardize sterilization processes ordered by BG Giraud of MRC EUR/DHA EUR. Currently we can only offer dental exams, limited cleanings, emergency treatment as diagnosed by a Dentist, and limited Restorative dental care prioritized by dental readiness classification. We understand the frustration and inconvenience this causes but are bound by the directive of our Commanding General. We anticipate regular services will ramp up over the next 6+ months. Defense Health Agency has not approved any alternative treatment location on the economy to be covered by the government. Please Provide Feedback through ICE and include the major interruptions and/or health risks you experience from interruption of service. If you feel your dental needs have unique urgency not understood by our administrative staff, please request to speak with the Dental Clinic Commander, LTC Johnson.

• Other Items of Community Interest

- Good news, we will have 2/3 hygiene positions filled and receiving another general dentist."
- All command sponsored active-duty family members should establish dental care within the community by utilizing the TRICARE Dental Plan. Contact United Concordia at (844) 653-4060 to enroll. Wait times for new patients on the economy can be long, so family members should establish a dental home immediately upon arriving in Germany.
- **No paid referral source for ADSM.**
- Readiness: The accuracy/efficacy of readiness status has proven less than excellent between MHS Genesis and MEDPROS . We understand that some readiness numbers feed into service-specific systems that we do not have visibility on. If you are a unit leader tracking readiness and are finding systematic issues or need solutions to improve dental readiness, please feel free to reach out to LTC Johnson.
