# Home-Based Businesses (HBB)

Presenter: Ms. Haydee Muro

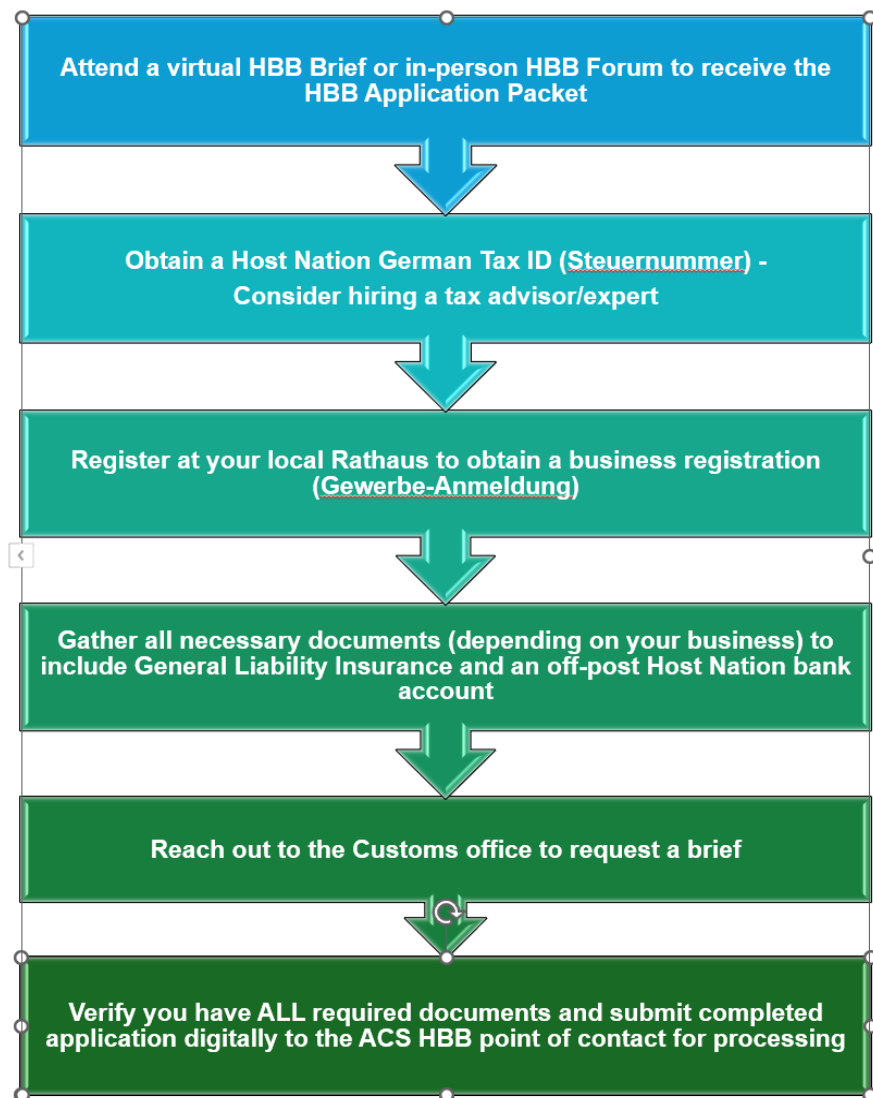

WE ARE THE ARMY'S HOME

## USAG Stuttgart Home Based Business (HBB)

# HBB Process

## Top 5 CLIF Take-Aways

- Anyone conducting a home-based business, on or off post, that involves selling goods or services, regardless of profit, must obtain an official HBB approval
- Rules to operate an HBB in Europe are different than in the US
- Entitlements provided to you as an individual, based on your SOFA status, cannot be used for your business.
- DFMWR serves as the administrative channel for collecting and submitting documentation to the Garrison Commander for approval. This office does not function as an enforcement authority
- Visit the MyArmyPost app or the DFMWR website to find the application, regulation, and additional information

# Policy Clarifications

	NO	YES
Use your U.S. Forces-registered privately owned vehicle (POV) for HBB activities	✓	
Use tax- and duty-free gasoline for HBB activities	✓	
Use Military Postal Service (MPS) to send or receive correspondence related to HBB	✓	
Purchase goods at AAFES, Commissary, or duty-free sales facility (DFMWR facilities)	✓	
Use Value-Added Tax (VAT) forms	✓	
Sell high-risk foods (Check requirements on the production or sale of cottage foods)	✓	
Government owed quarters cannot be used as a business showroom, warehouse or storage facility.	✓	
No exterior parts of Government-owned or -leased quarters will be used to advertise products or services.	✓	
Participate in Garrison events when invited (Bazaars, Frosty Fest, CARE Fair, CYS Fall Harvest)		✓
Request for your business to be listed on the FMWR website on the Home-Based Business List		✓

- Individuals conducting business on U.S. military installations in Stuttgart or affiliated with these installations in any capacity are required to obtain written authorization from the Garrison Commander prior to engaging in any business activities.
- Failure to properly register your HBB violates U.S. Army in Europe and Africa regulations and leaves you susceptible to military administrative or civilian misconduct action, as well as fines and prosecution from German authorities as it may be considered tax evasion. You could jeopardize your SOFA status.
