DPW: 100% Housing Inspection

Mandatory Third-Party Housing Inspections

What: A **Congressionally mandated**, third-party inspection of **ALL** Army Family Housing and Executive Housing to ensure all Army's housing assets are safe and habitable.

Who: The Army has contracted experienced, certified home inspectors who passed a rigorous background.

When: 6-16 JAN 2026

Where: The entire perimeter and interior rooms of each house or unit. Inspectors will take multiple photos both outside and inside the home. They will be careful to not photograph residents, personal photos, or pets.

What will they inspect: All building systems and a survey of **easily visible** and **readily accessible** elements like the roof; gutters and downspouts; house façade; exterior of windows; foundations, walkways, driveways; porches, patios and stairs; and landscaping and site gradient. **All smoke detectors will be activated without exception.**

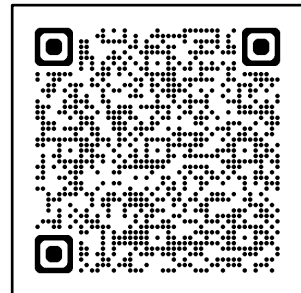

Who long will the inspection take? The inspection should take about 60 minutes but may take up to two hours.

What do I need to do? All Army Family Housing and Executive Housing residents **MUST** schedule an inspection appointment through the online portal **no later than 31 DEC 25**.

This inspection is mandatory.

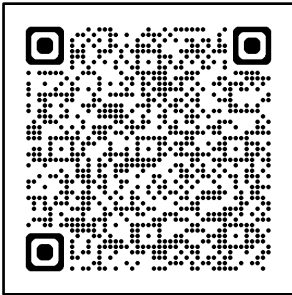

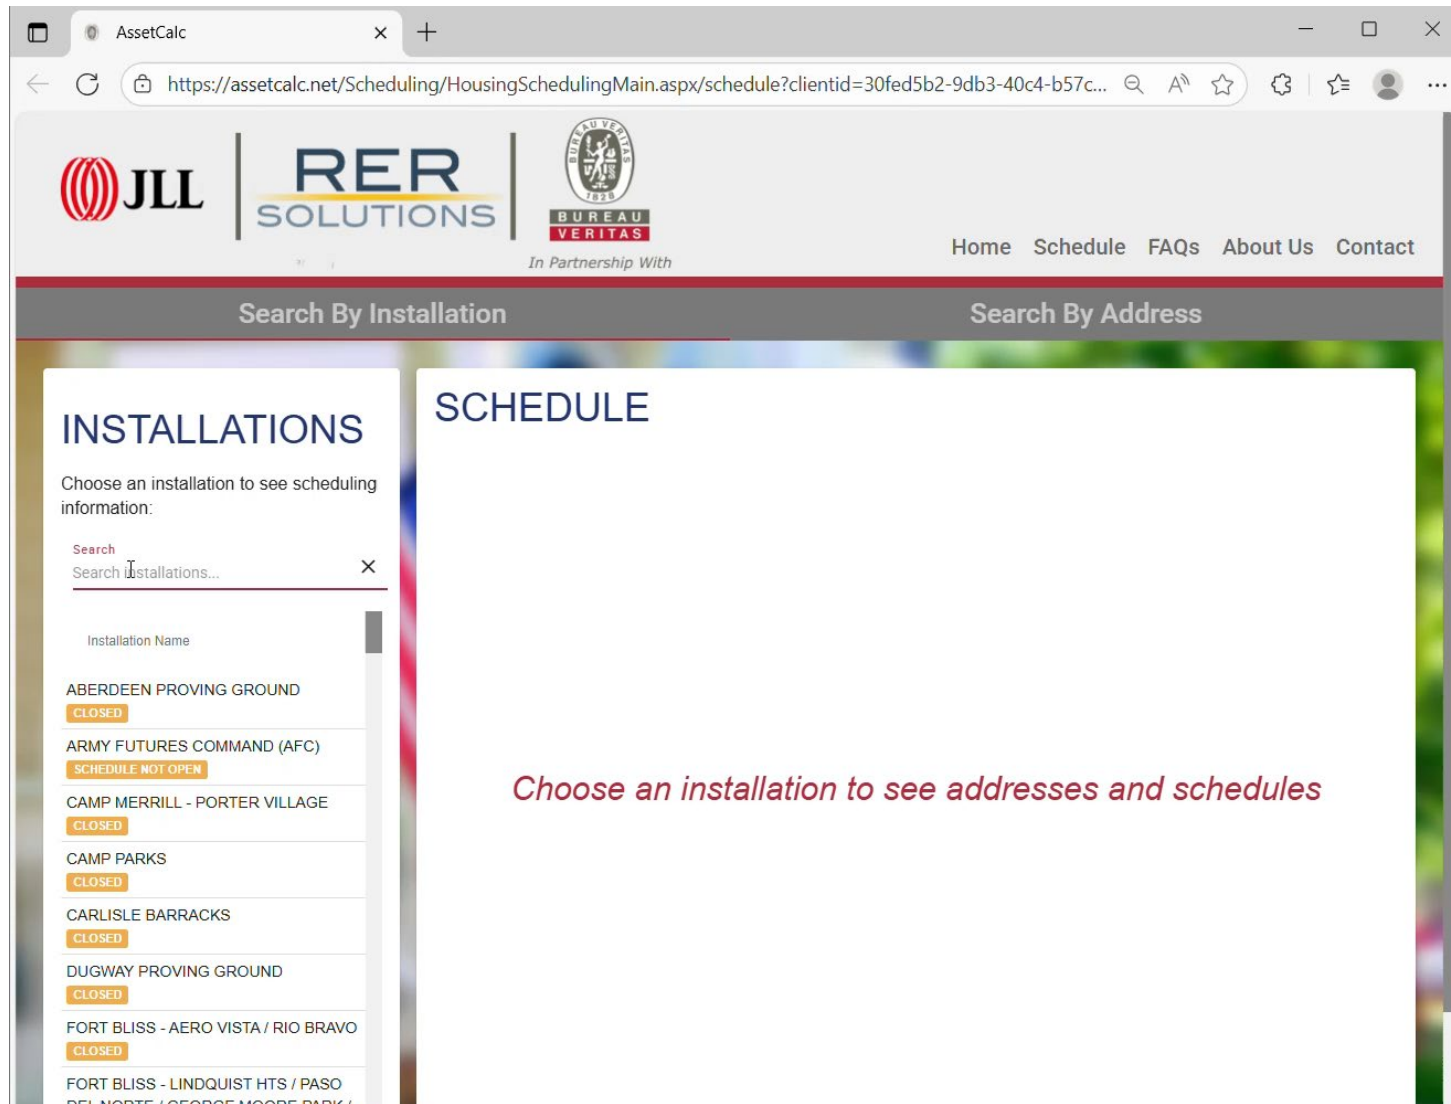

Schedule your appointment early to prevent chain of command from getting involved.

DPW: More About the Inspections

Preparing for your inspection

- ✓ Be at home and ready for the inspection at the beginning of the start time to help inspectors stay on schedule
- ✓ **Put pets away** during the inspection.
- ✓ Ensure inspector have access to **ALL** interior spaces, including the garage.
- ✓ Inspectors will test **ALL** smoke detectors. Do not request inspectors skip this important EHS protocol.
- ✓ Inspectors will take photos but will avoid taking photos of people, pets or personal belongings.

Escorted Inspections

- If a resident does not schedule an inspection before **29 DEC 25**, the Housing Office will schedule an *escorted inspection*. Housing will send a 48-hour notification letter to the resident, and Army personnel will act as escorts for the entire inspection.
- If a resident refuses entry to an inspector, the resident's chain of command will be contacted, and the inspection will proceed as an escorted inspection.

Right to Enter

- The Army has the legal right to enter any residence on the installation for any legal purpose.
- That right extends to Army contractors and Army personnel acting as escorts who are tasked to enter and inspect housing.

Garrison Chaplain

Chaplain (COL) David Curlin

USAG STUTTGART RELIGIOUS SUPPORT MISSION

The USAG Stuttgart Religious Support Office (RSO) exists to protect and provide for the free exercise of religion among Soldiers, Families, and DA Civilians across our garrison. Through worship, counseling, and religious education, we help people connect more deeply—with God, with one another, and with the community. We plan and execute the Garrison Commander's Religious Support Program and equip Unit Ministry Teams (UMTs) to build a spiritually strong, mission-ready force.

USAG STUTTGART RELIGIOUS SUPPORT VISION

We envision a spiritually connected community—where Soldiers and Families live with deeper faith, greater confidence, and unshakable hope. We strengthen the soul of the force by fostering relationships, sustaining spiritual fitness, and cultivating a culture where people are equipped to live purposefully and counter-culturally, ready to serve at a moment's notice.

DISTINCTIVES

- Strategic partnerships with local churches
- Support for joint and multinational commands across EUCOM, AFRICOM, SOCEUR, SOCAFRICA, and MARSOF
- High-impact ministry despite limited manpower
- A growing network of hope across our diverse and dynamic community

ASPIRATIONS

May every Soldier and Family in Stuttgart see the RSO as a community of hope, a source of connection, and a wellspring of truth in a time of uncertainty.

USAG STUTTGART RELIGIOUS SUPPORT ABIDING PRINCIPLES

- People and relationships matter
- Humility and selfless service
- Responsive and relevant support
- Virtuous leadership
- Excellence in service and communication
- Intentional systems and processes
- Partnerships with local pastors and para-church ministries
- Respect for spiritual diversity

CHAPLAIN CORPS PRIORITIES

PEOPLE & COMMUNITY

PEOPLE are the Army's greatest strength and most valuable asset. The Chaplain Corps' priorities are **PEOPLE** and **COMMUNITY**.

USAG STUTTGART RELIGIOUS SUPPORT LINES OF EFFORT

READINESS: The RSO will provide **Training, Crisis Response** and **Pastoral Care Counseling** so Chaplains, Soldiers and Families are spiritually equipped for life, leadership, and the rigors of war. A spiritually fit Soldier is a more lethal Soldier—anchored in truth, purpose, and peace.

REVITALIZATION: The RSO will provide **Worship Services, Religious Education** and **Soldier & Family Ministry**—not just on post, but in partnership with over a dozen local English-speaking congregations. We invite local congregations to connect with us in attempt to revitalize our community.

RESOURCING AND REACH: The RSO stewards Congressional and chapel funds to fulfill **Statutory Requirements, Contracts, Training** and **Community-Building Events**—empowering UMTs to lead well.

Stuttgart Legal Center: Update

Entry/Exit System (EES) and European Travel Information and Authorization System (ETIAS)

NATO, EU, Schengen, & EES/ETIAS

- EES is an automated border management system designed to record the entry and exit of non-EU nationals traveling to and from the Schengen Area for short stays, including those who do not require a visa. EES is a digital on-arrival registration system that will replace the traditional passport stamping.
- If you are here on a SOFA status, you are **exempt** from registering into EES.
- When traveling, we strongly encourage you and your family carry your passports, DoD-issued IDs, and orders showing that the service member (or sponsor) and command sponsored families are on a SOFA status.
- If, by chance, you get enrolled in EES, **contact the Stuttgart Legal Center** for assistance in disenrolling in the system.

DEPARTMENT OF DEFENSE EDUCATION ACTIVITY

Click here for more information about working for DoDEA.

QUESTION: Are there medications that the pharmacy has already run out and what meds are anticipated to be done soon?

- What options are available to patients, if their medication runs out?
- If a patient seeks to get their medication off-post, will they get reimbursed for the cost of the medication when the shutdown is over?

QUESTION: I am concerned about capacity of local providers to see Tricare beneficiaries in timely manner. How can we communicate this to Tricare and either get Tricare to expand its in network providers or treat this area as a remote location allowing beneficiaries to work more directly with ISOS and find more easily find providers without having to wait for PCM appointments and take up more PCM time with requests for referrals when they could be seeing patients.

COMMENT: As laundrettes are updated, please consider keeping air dryers and 30-minute washing machines/top loaders. Most people using these facilities come because it is the fastest way to get laundry done and the ability to use American standard machines. Also, instructions should be in clear American English, so people know how to use the machines.

ANSWER: These are commercial machines. The vendor's machines will have different programs to choose from, including an express program with a maximum duration of 30 minutes per wash cycle.

QUESTION: The Stuttgart High School Rifle/Marksmanship Team was notified on 10 Nov 25 that only team members who enrolled in the JROTC program/class will be allowed to participate on the team. Students who joined and practiced on the team have now been excluded due to a requirement that was not a prerequisite at the start of the season.

An exception to policy (ETP) has been submitted on behalf of the students who are not currently enrolled in JROTC. What can be done to take care of our students?

ANSWER: This decision was made to comply with funding requirements. However, it is not the intention to exclude students who were already participating. DoDEA will work with affected students to allow them to participate.

QUESTION: How are the mailrooms going to adjust to meet the holiday pickup? Is there capacity for a staff shift to accommodate RB to have a few days of outgoing packages?

ANSWER: The garrison was approved to hire seasonal workers to help control lines at the package pick-up windows. These employees are limited in what duties they can perform in the post offices. They can't be a finance clerk for shipping out packages as they must be trained, and they are only with us for 90 days. Hours this year cannot be extended. This is Europe wide.

Unfortunately, currently we cannot shift employees as we are still undermanned and running on minimal staffing at all locations.

QUESTION: Do you accept volunteers at the post office for APO and/or CMR?

ANSWER: CMR/PSCs can accept volunteers, but we are at capacity with borrowed military manpower right now. APOs cannot accept volunteers as there are different requirements to work the APOs.

COMMENT: I think it really a problem at Vehicle Registration with this system and the waiting time. The app causes situations with maybe you phone goes out or something. There should be a board or screen for people to see when it's their turn. Losing a whole day from work to do this is really bad, and the staffing is short. But the appointment is too long out.

ANSWER: We will investigate potential system glitches.

QUESTION: Is there an enforcement solution that would better protect parking spots in front of the Patch Post Office? I understand parking on Patch is terrible. Though the blue parking signs are posted in front of that strip for 30-minute parking, it's never enforced.

ANSWER: The newest garrison parking policy focuses on some of our enforcement options. We hope that alleviates some of the parking problems but recognize that parking on Patch continues to be a pain point.

QUESTION: When will the new gate by the construction of the new Robinson elementary school on Roter Stich open? Is there any plan to allow RB community members to utilize this gate or is it solely for construction vehicles? Is there a plan to have a second gate on Robinson in the future?

ANSWER: The newly added construction gate at Robinson Barracks is specifically placed to support the elementary school construction project which will take several years to complete. This entrance was funded as part of the construction project to reduce risk for the community and alleviate traffic congestion as much as possible. Access is restricted to construction vehicles only. This is driven by safety and contractual requirements.

The garrison's Directorate of Emergency Services, the Safety Office and DPW looked at traffic flow and safety concerns. Based on the traffic survey along with best industrial safety practices it was determined that construction traffic would only utilize the ACP.

We fully appreciate the impact and driving delays construction projects cause, however safety of our community and risk mitigation is one of our priorities. We appreciate your patience throughout the construction period and asked for your continued support with our community improvements.

COMMENT: Kids playing on the track at Patch is an issue. Service members are trying to PT and take their PT tests, but kids throw their backpacks all over the track and play in the running lanes.

ANSWER: It takes a village. If you see minors behaving badly, say something. If the situation escalates, you can reach out to the MPs but this is our collective community.

1. ANSWER: We continue to refine the registration process with the goal of lowering customer time spent on this required task. Technical solutions are being implemented with the intent of streamlining the processes and ease of access for all customers. The VRO has implemented a screen to more easily inform customers of their place in line. We concur that registering your vehicle should not take an entire day. We ask you to assist us by ensuring you are prepared and have all the required information with you when you arrive. We strive to provide the best services possible and appreciate your feedback.
2. ANSWER: There really is no one fix for community members to do the “Right Thing” and follow posted parking signs. The MP Patrols do their best to catch violators and do write citations to those they catch violating parking regulations. The Garrison Parking Policy #10 has been updated as of 27 October 2025. The Policy added specific penalties for individuals caught violating parking statues multiple times. Parking violations are enforced, unfortunately we do not catch all violations all the time. Thank you for your feedback, it is appreciated.
3. ANSWER: The ACP in support of the Robinson Barracks construction project was scheduled to open on 17 NOV 2025, due to material delivery challenges the opening of the “Construction” gate is currently delayed. Once we have an estimated opening date the community will be informed.
4. ANSWER: The newly added “Construction Gate” at Robinson Barracks is specifically placed to support the Elementary School construction project which will take several years to complete. This ACP was funded as part of the construction project to reduce risk for the community and alleviate traffic congestion as much as possible. Access will be restricted to construction vehicles only; this is driven by safety and contractual requirements. Garrison Directorate of Emergency Services, the Safety Office and DPW looked at traffic flow and safety concerns. Based on the traffic survey along with best industrial safety practices it was determined that construction traffic would only utilize the ACP. We fully appreciate the impact and driving delays construction projects cause, however safety of our community and risk mitigation are one of our priorities. We appreciate your patience throughout the construction period and asked for your continued support with our community improvements.
5. ANSWER: There is not a current plan to add a second gate to RB in the future. Access Control Points are authorized and manned based on traffic volume / flow and requirements. Unfortunately, additional gates require increased funding and staffing, which is currently not feasible.

QUESTION: Can private organizations, linked to USAG Stuttgart, receive an exemption for:

1. 30-day fundraising application
2. 2 fundraisers per quarter max, if they are hosting a fundraiser(s) and/or gifts in kind collection to go directly to support those impacted by the shutdown? **No**
Longer Applicable

ANSWER:

- **Fundraiser Limit:** Private Organizations (POs) may submit **eight** fundraiser requests per fiscal year.
- **Late Submission Waiver Requests:** POs may submit a late waiver **once a year**.
- **Minimum Notice:** No requests will be granted if the event date is **less than 10 days** away
- **Multiple Events Policy:** Continuous fundraisers or multiple dates/locations with the same concept are considered one event and must be submitted as a single fundraiser request.

Reference: Command Policy Letter # 12 Private Organizations

[https://home.army.mil/stuttgart/6017/0013/2844/USAG Stuttgart Command Policy Letter 12.pdf](https://home.army.mil/stuttgart/6017/0013/2844/USAG_Stuttgart_Command_Policy_Letter_12.pdf)

QUESTION: When will the "Nautilus" Room at Patch Gym reopened?

ANSWER: Equipment has arrived in Germany, pending delivery to USAG Stuttgart. Once we receive the equipment, we will install the equipment at Patch, Kelley, and RB fitness centers.

QUESTION: Some buildings without balconies and Rolladen are being measured for them. Will they be installed while residents actively live in those buildings? If so, how long is the expected installation process for each? And when would the work begin?

ANSWER: Work is ongoing based on funding. It is occurring in all units.

While installation yard maintenance is suspended during the shutdown, can the installation loan out for FREE equipment for individuals to help maintain shared spaces? *Most on-post residences do not have yard tools to maintain yard spaces and parks and they do not want to purchase tools specifically for this.

Self Help can loan out small tools. However, there is not enough equipment to have loaner mowers or other large machines.

COMMENT: Other garrisons in Europe offer free-cycle areas where community members may donate (or obtain) items that are not normally donated to the thrift store, like used lawn mowers, gas cans, leftover paint and petroleum products that can't be shipped in household goods nor donated to thrift. Additionally, other garrisons offer recycling of used oil, paints, scrap metal bins, scrap wood bins, non-working appliance bins for both on-base residents and non-on base residents. It is important to note that recycled metal often has a monetary value.

ANSWER: LRC (B2956 at Panzer) currently only accepts HAZMAT (paints, glues, cleaners, disinfectants, aerosols, sealants, oils and new printer/toner cartridges) from Units/Organizations which must be submitted with their respective Safety Data Sheets and unopened. LRC no longer collects household substances nor off post items. DPW Environmental Division works to convey this information to the community in our HM/HW awareness trainings. As for scrap metal, wood and appliances, the DPW waste yards at Kelley, Panzer, Patch, and RB manage that aspect for drop off or can be scheduled for a bulk pickup. Contact your ICs for assistance.

PATCH

QUESTION: Can anything be done about the teachers taking the parking spots of barracks residents' parking spots on Patch?

ANSWER: Resident parking is only for residents. If you see a violation, contact the MPs for enforcement.

ROBINSON

COMMENT: The corner of Leutenbacher and Schlichtener Str on Robinson (where the newest apartments are) needs a yield sign. People coming up from the 300s or leaving 189 do not yield and there has already been multiple close calls of people almost hitting each other.

ANSWER: A Yield Sign has been placed with a temporary footing as of Wednesday, 12 NOV 25. A DMO (CS5121104) has been submitted to for our DPW In-House Shops to complete the permanent placement.

QUESTIONS:

- Can you repaint all the parking lot numbers on Robinson?
- At Robinson Barracks some of the housing parking spaces have been renumbered, but the new space numbers do not match the previous ones. There has been no guidance or information from housing on if this was an error or if we have been reassigned new spaces permanently. Do you have any information on this?
- Why is DPW painting parking lot numbers?

ANSWER: All building numbers on parking spaces are in the process of being repainted. However, the recent weather has been prohibitive.

COMMENT: We need large swings for teens on Robinson. The teens love swings and people get so upset that the teens use the small swings. We need large swings for them.

ANSWER: This is great feedback! Each year we look for projects to improve quality of life for our residents. These smaller requests are easy for us to make happen. We will add this to our planning list, however we are at liberty of funds approval and distribution from our higher headquarters. In the meantime, we welcome additional information on specific locations. Please provide to the housing chief, Ms. Bates directly.

QUESTION: The speed bumps on Robinson Barracks are larger than other speed bumps on Patch and damage to vehicles. Can this be corrected?

ANSWER: RB speed bumps have been designed and constructed per German/US code. They meet the requirement of slowing down vehicles to a very slow speed across the site.

QUESTION: Why is the DPW contractor occupying space on Patch? Their small repair trams, as well as personal vehicles, consume lots of space. Seems like they could be off base.

ANSWER: DPW's contractor is contractually obligated to have space to store their supplies and offices. They fully use all the space provided to them and could probably fill more space if we gave it to them. This may be alleviated soon with some of the space being freed up on Panzer.

QUESTION: Is there a second evacuation route for those families in stairwells without balconies? Check on fireproofing housing doors as they are not all secure. Some have gaps on the bottom.

ANSWER: It is not recommended that families attempt to exit higher floors without the assistance of professionals. In the event of a fire the doors provide immediate shelter. The doors on the units are fire rated to 90 minutes. Most family housing units also have sprinkler systems. Units that don't will during planned renovation. Additionally, fire trucks are equipped to help people safely exit higher floors. If you have concerns regarding the security of fire doors, fire safety can conduct an inspection. Please contact the housing office at USAG-Stuttgart-Housing-BLDG-PM@army.mil to make a request.

QUESTION: Can individuals donate to the chaplain's office money or commissary gift cards so that chaplains can give out gift cards?

ANSWER: Yes, the Chaplain's Office may accept donations. We recommend providing monetary contributions as outlined on the previous slide. Donations can be made through the PushPay app at pushpay.com/g/stuttgartgive. Please select the sub-account **CAJY** to support the Operation Helping Hand gift card program.

Product donations to the pantries can be made at any time right at the pantry.

The items needed most include hygiene items, diapers, and pasta sauce but the need changes. There is a sign by the pantries noting what is needed the most at that time.

Stuttgart Legal Center: Questions

QUESTION: As the shutdown continues and GS employees are not receiving their full pay, can GS (or any Federal Employee) receive an ETP towards the Joint Ethics Regulations ruling on \$20 dollar gift in kind/monetary donations. *Many individuals and/or private organizations would like to be able to support community members who are critically impacted by the shutdown but are told that they cannot give federal employees more than \$20 (even if it's a gift card to the commissary).

ANSWER: An employee may accept a gift given by an individual under circumstances which make it clear that the gift is motivated by a family relationship or personal friendship rather than the position of the employee. Relevant factors in making such a determination include the history and nature of the relationship and whether the family member or friend personally pays for the gift.

QUESTION: What is the status on the garrison's cleaning contract for office spaces?

ANSWER: Funds should start flowing and contracts should be paid soon with services resuming within the week.

QUESTION: With the garrison announcing a pet policy is in review should garrison employees be turning away customers who enter facilities with pets?

ANSWER: Yes. We are developing a new policy that will reiterate that our workplaces follow federal law. Pets are not allowed in federal buildings.

QUESTION: What is enforcement of the new parking policy going to look like?

ANSWER: Enforcement will start with a verbal warning and then progress from there. A ticket, points, towing, and even a temporary or suspension of USAREUR-AF licenses are all possible based on the frequency and severity of violations.

HOW TO MANAGE

Holiday STRESS

The holiday season can be a wonderful time of the year with many things to celebrate and be thankful for. However, it can also be a source of stress, even with all the good times they bring.

When you notice the holiday stress creeping in, take control by trying the following 3 skills to help minimize those negative impacts.

1. DELIBERATE BREATHING
2. CONNECT TO OTHERS
3. HAVE A PLAN AND STICK TO A ROUTINE

**ARMY
RESILIENCE
DIRECTORATE**

For more ways to strengthen your resilience, connect with us at: www.armyresilience.army.mil

@ArmyResilience    

Create Positive Emotions During the Holiday Season

Use these strategies to generate positive emotions and resilience:

- ✓ Positive Imagery: Re-create a positive experience using as many sensory details as possible.
- ✓ Focus on Good Stuff: Take time each day to reflect on what was good that day.
- ✓ Real-Time Resilience: Knock out the counterproductive thoughts by thinking optimistically.

Practice these strategies to manage and reduce holiday stress so you can enjoy time with friends and family, in addition to boosting your physical and mental health.

**ARMY
RESILIENCE
DIRECTORATE**

For more ways to strengthen your resilience, connect with us at:
www.armyresilience.army.mil

   
@ArmyResilience

AHC Stuttgart: Tricare Open Enrollment

TRICARE Plus is a service-directed primary care empanelment program available at select military treatment facilities (MTFs).

The ability to offer the **TRICARE Plus** program is based on capacity, capability, and mission. Offering TRICARE Plus creates a partnership between the community and the MTF. It enhances our team's readiness skills while improving primary care access to the community. This benefits TRICARE Plus members, clinicians, and active-duty service members.

Enrollment in **TRICARE Plus** guarantees only a primary care provider. Specialty care is neither dependent on nor guaranteed by PLUS enrollment. Based on capacity availability or constraints, specialty care can be accessed by those not enrolled in PLUS, and it may not be available to those who are. The primary mission of Landstuhl Regional Medical Center (LRMC) is to support the health and readiness of our active-duty population and their family members. We value our TRICARE-eligible beneficiaries and strive to increase and improve available services.

LANDSTUHL REGIONAL MEDICAL CENTER

CONTACT

LRMC TRICARE Service Center

Bldg. 3744, Landstuhl, Germany

Phone: 06371-9464-4830

Monday through Thursday: 7:30 a.m. to 4 p.m.

Friday: 7:30 a.m. to 2 p.m.

TRICARE PLUS

UNLOCK YOUR HEALTH

OPEN ENROLLMENT

NOV. 3, 2025 - DEC. 15, 2025

WE ARE THE ARMY'S HOME

THINGS TO KNOW

APPLICANTS

The program may be modified, restricted, or closed to future TRICARE Plus applicants. Current TRICARE Plus members may be removed due to changes in capacity, capability, or mission.

SPECIALTY CLINICS

Enrollment in TRICARE Plus does not guarantee access to local MTF specialty clinics (e.g., cardiology, orthopedics, behavioral health). TRICARE Plus enrollment is not required to make appointments with specialty clinics whose availability status is "open" to the requesting patient's beneficiary status.

ELIGIBILITY

TRICARE Plus consideration is available for retirees, retiree family members, non-command sponsored Active-Duty Family Members (ADFMs), and command sponsored dependent parents.

RESTRICTIONS

The local MTF commander has specified the following restrictions in TRICARE Plus enrollments:

Eligible personnel must apply to participate, and if approved, they will only be guaranteed primary care at the facility to which they are empaneled.

TRICARE Prime eligible command sponsored ADFMs and TRICARE Young Adult Select are not authorized enrollment into the TRICARE Plus program.

The patient should not reside more than 100 kilometers away from enrolled MTF.*

By signing the TRICARE Plus enrollment form, the patient agrees to be seen by their local primary care provider at least once every 12 months.

*Patients who reside outside of 100 kilometers from their local MTF may be enrolled if space is available.

ENROLLMENT PERIOD

The local TRICARE service center will accept applications throughout the enrollment period from **Nov. 3, 2025, through Dec. 15, 2025**. After Dec. 15, the enrollment period will close, and applications will not be accepted.

PRIORITY

Priority will be given to beneficiaries whose medical needs align with the readiness of the local MTF primary care providers and support staff. An Order of Merit List (OML) will be created for empanelment up to the predetermined capacity.

HOW TO APPLY

Please follow LRMC on Facebook or visit our website at <https://landstuhl.tricare.mil>, where we will provide directions along with a QR code on Nov. 3 on how to apply for the program. Application into the program does not guarantee enrollment. Enrollment letters will be sent out to those selected after the program has closed.

Stuttgart 2025-2026 Influenza Campaign

MTF Influenza Vaccine Eligibility:

1. Participating individuals need to be registered with MHS Genesis. This will allow the MTF to document the vaccine in accordance with DHA.
 - a. To register, please visit the clinic Patient Administration office 0730-1200 Monday, Tuesday, and Thursday; 0730-1400 Wednesday and Friday.
2. Completion of the Influenza Screening Form, DHA 116 v JUL 2025, for each individual receiving the vaccine. The influenza vaccine is recommended for everyone 6 months and older.

Good to Know:

1. Influenza vaccines will only be offered during the scheduled events listed.
2. Walk-ins for influenza vaccine will ONLY be available during the scheduled events, or by appointment in the clinic after the campaign events.
3. The influenza vaccine is a requirement for active-duty military and CYS personnel.
 - a. Please refer to each individual organization for their deadline.
4. Youths 15-17 years of age may receive the flu vaccine without a parent/guardian present. They will need their DoD ID and meet eligibility criteria listed above. Screening will be done by a provider.
5. We encourage families to bring a "special" band-aid, comfort item and/or treat for your little one(s) for a tolerable experience.

Influenza Vaccines Available:

- Fluzone: ages 6months - 64yrs
- Flucelvax (egg-free/cell-based): ages 6months - 64yrs
- Fluzone (high dose): ages 65 and older

Stuttgart Public Health RESPIRATORY VIRUS GUIDANCE

Consider the following recommendations to protect yourself, your family, and your community before, during, and after a respiratory infection.

Precaution and Prevention Strategies

Stay up to date on immunizations

Practice health and home hygiene

Improve air flow and filtration

Distance from others when sick

Wear well fitting facemasks

Test and treat as needed

If you are ill with and/or test positive for a respiratory virus*

- 1) STAY HOME TO RECOVER AND STOP THE SPREAD TO OTHERS.
- 2) AS NEEDED, SEEK MEDICAL ATTENTION AND TREATMENT.
- 3) YOU CAN LEAVE YOUR HOME AND TAKE ADDED PRECAUTIONS FOR THE NEXT 5 DAYS ONCE IT'S BEEN 24 HOURS OF:

IMPROVING SYMPTOMS AND

NO FEVER - WITHOUT USING FEVER MEDICATION

CDC Preventing Respiratory Illnesses
(QR Code):

<https://www.cdc.gov/respiratory-viruses/prevention/index.html>

*Respiratory virus can include but is not limited to: COVID-19, Influenza, RSV, and the 'Common Cold'.

Always listen to your medical provider on their recommendation for your health and safety.

DOD Force Health
Protection Guidance, JUL
2023

- Individuals who are exhibiting symptoms of an infectious respiratory disease, including colds, influenza, and COVID-19, should not come to the workplace or conduct official travel until symptoms have begun to resolve. Symptoms of an infectious respiratory disease may include fever, body aches, cough, runny nose, sore throat, vomiting, or diarrhea.
- Negative test results are not required for individuals who have recently recovered from a respiratory infection to return to the workplace or to conduct official travel.
- Individuals who have recently recovered from a respiratory infection should consider wearing a mask in the workplace for 10 full days following initial symptoms.

MEDDAC Bavaria Food Handler Training

Now Available Online!

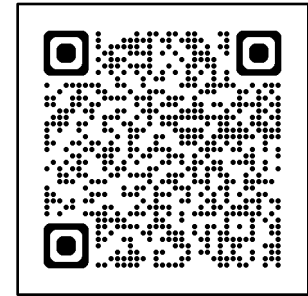

Once you have completed the training, you will be prompted to enter your full name and email address. Please note the certificate does not auto-populate, MEDDAC-B Environmental Health team will be sending your certificate via email. Certificates are valid for 1 year.

Purpose: This training is designed to familiarize family readiness groups and non-profit organizations operating a temporary food establishment, such as food fundraisers, with the basic principles of food safety that must be applied when conducting food operations on military installations.

AAFES: School Meal Program

IMPORTANT MESSAGE FOR
FAMILIES AFFECTED BY THE
GOVERNMENT SHUTDOWN !

The SMP team is here for you.

We understand the current government shutdown may be creating financial stress!

To help during this time, we encourage families impacted by the shutdown to apply for **FREE and Reduced-Price Meal Benefits**.

OUR COMMITMENT: SERVING THOSE WHO SERVE

We're dedicated to making sure every student continues to receive healthy, nutritious meals-no matter what.

What you need to know

Apply now: Families affected by the shutdown must submit a Free and Reduced Price Meal (FaRM) application to receive benefits.

Not Automatic: Meal benefits are not automatically granted-you must apply.

Based on Current Income: Eligibility is determined by your household's current income.

Furloughed? Report the reduced income of any furloughed household members.

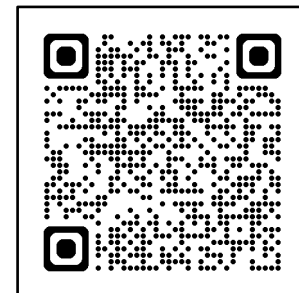

Zero Income Applications: These will only be accepted while the shutdown is ongoing.

Effective Immediately: If approved, benefits begin the day your applications is received.

Reapply Later: Once regular pay resumes, families will need to reapply with updated income.

Visit the LINQ Connect Parent Portal at <http://www.linqconnect.com> to apply.

Please contact your school's kitchen supervisor or **Manager Sabine Howell** at howellsab@aafes.com.

1. [ARC Training Services Classes Registration Link](#) (or scan QR code)
Scroll down to Training Services Classes Registration (Image below)

2. Brings you to MS Forms Registration (image below)

NOTE: To register for a class, please complete the registration form and send us your payment confirmation. Registration is conducted on a first-come, first-served basis, determined by the email receipt of your payment confirmation. Once we receive your confirmation, we'll finalize your registration and provide access to the required online training materials.

3. When you submit this form, it will not automatically collect your details like name and email address unless you provide it yourself.
4. Instructions & Notes: Please complete the following steps to register for a training class.

1. Select a class from the list
2. Select the corresponding payment link and submit the payment (remember step 4)
3. Enter the participant's contact information -- please enter one form per person
4. Email a copy of your payment confirmation to stuttgart@redcross.org (confirmation must display the Order Number: PH###).

Important Next Steps:

Once you complete the above steps, a staff member will enroll you in your course (this can take up to 3 business days— please call us at 09641-70596-2812 if you're registering for a class that occurs sooner).

Once enrolled, you will receive an email from Salesforce Automation with the class details and access to the online portion, which is required before attending the in-person session. Please check to ensure you have access to the online training. If not contact our office during

business hours or you can contact Training Services Support at 1-800-733-2767 for after-hours support.

Thank you for choosing the American Red Cross for your training needs.

Respectfully,

Stuttgart American Red Cross Staff

ARC: Emergency Travel Assistance Grant

OCONUS Emergency Travel Assistance Grant

Grant Program for Military Members

Aligning with the American Red Cross mission of helping military members prepare for, cope with, and respond to the challenges of military service, Service to the Armed Forces (SAF) is implementing the OCONUS Emergency Travel Assistance Grant.

This program will provide financial assistance to military members, including National Guard and Reserve, actively serving Foreign Outside the Continental United States (F-OCOUS) who are currently on or about to begin emergency leave.

All categories of emergency leave are eligible for this grant. Service members must provide a copy of their emergency leave orders. Eligible service members will be awarded a \$500 grant.

The OCONUS Emergency Travel Assistance Grant will be available for a limited time based on the availability of funds.

To apply, please contact the Hero Care Center at 1-877-272-7337.

DoDEA
DEPARTMENT OF DEFENSE EDUCATION ACTIVITY

Interested: Here's How to Apply

DoDEA offers Educator Opportunities and a variety of Non-Teaching Positions.

Did you know?

DoDEA operates 160 schools, with more than 66,000 military children and 8,000 Educators. All schools within DoDEA are fully accredited by U.S. accreditation agencies.

Please note: Due to physical location and the time zone, DoDEA Pacific West District in Korea oversees the DoDEA Americas schools in Guam. Similarly, the DoDEA Americas Mid-Atlantic District in Fort Liberty, North Carolina oversees the DoDEA schools in Guantanamo Bay, Cuba.

Use this QR Code to learn more information about working for DoDEA!

Thank you for your interest in employment with the Department of Defense Education Activity (DoDEA). There are many opportunities beyond serving as a classroom teacher in which an individual can serve DoDEA Schools. School support positions are posted on [USAJOBS.gov](https://www.usajobs.gov) – Examples of position opportunities include, but not limited to Substitute Teachers, Training Instructors, Educational Aides, Office Automation, Instructional Systems Specialists, Administrators (Principals, Assistant Principals, Administrative Officers).

Substitutes/Training Instructors, School Support Positions, and Administrators:

USAJOBS connects job seekers with federal employment opportunities across the United States and around the world. As the Federal Government's official employment site, USAJOBS provides resources to help the right people find the right jobs. DoDEA utilizes USAJobs for posting their non-teaching positions.

To apply, candidates will visit USAJobs at www.usajobs.gov and create an account. The first part of this process is setting up your profile. Creating a USAJobs account and profile allows candidates to save job announcements, filter job searches, automate job search notifications, and manage everything needed to complete an application, including storing and creating resumes and required documents.

Candidates can filter job searches by location, salary, work schedule or agency to narrow their results. Review Job Opportunity Announcements and follow the instructions on what the required documents are and how to apply. You will submit your application and questionnaire in USAJobs to the agency for consideration. Candidates can check the status of their application at any time through their USAJobs account.

Applications will be adjudicated once the job announcement closes to determine qualifications and preference eligibility. The hiring manager will conduct interviews and vet the qualified referred applicants for final selection.

For a summary of how the application process works within USAJobs, visit: www.usajobs.gov/Help/faq/application/process/.

Educator/Teaching Positions

Employment Application System (EAS) is a web-based system that allows professional educators seeking employment with the Department of Defense Education Activity (DoDEA) the ability to submit and manage their applications in an online environment 24 hours a day, 7 days a week, and 365 days a year.

Candidates may apply for Classroom Teacher, School Guidance Counselor, School Nurse, School Psychologist, Physical Therapist, Occupational Therapist, and Speech Language Pathologist positions via EAS at: <https://webapps.dodea.edu/EAS/login.cfm>.

Once a new application is started, candidates will complete ten modules of information and preferences before finalizing their application. In the Target Jobs Module, candidates can choose the positions they are interested in for consideration. In the Target Location Module, candidates can identify the geographic locations they want to be considered for.

DoDEA requires that successful candidates meet Minimum Academic Preparation and Requirements. Candidates must be a U.S. citizen and possess a minimum of a bachelor's degree with specific coursework requirements in the specialty area they are applying. Applicants are required to provide a photocopy of all official transcripts indicating what type of degree and the date it was conferred, as well as a current valid state teaching/counseling certificate. The DoDEA Teaching Categories and Requirements page has additional information <https://www.dodea.edu/offices/human-resources/work-dodea/teaching-categories-and-requirements>. At the bottom of the page there are links to requirements for the Elementary, Middle, Secondary, Support, and Student Support Services for various teaching categories. If you meet these requirements, we encourage you to apply online today via DoDEA EAS.

The Army Civilian Human Resources Agency (CHRA) staff, located at Rock Island, IL, is DoDEA's servicing Recruitment and Staffing office. All questions and inquiries regarding EAS must be sent to them through email at usarmy.ria.chra-nc.mbx.dodea-eas-applicant-inquiries@army.mil.

WHAT'S NOT AVAILABLE IN AESMP:

Document Services & Mass Production

TSAE does not provide document reproduction or copier services such as document printing, business cards, or products that are available for order on Army Electronic Pubs (AE PUBS).

We can refer you to DLA Printing Services for mass productions:

<https://www.dla.mil/Document-Services/Printing-Services/>

Maps

Soldiers should order maps via their unit map custodian, normally the S-2 is designated to perform this function. For maps in the Army system, the Map Support Office (MSO) at Gernersheim, part of the Defense Logistics Agency (DLA), can handle large requests from your maps custodian. GIS map requests will be submitted to ITAMIAW with TSAE policy. The TSC is not a source for printing maps. The TSC can produce some special/custom maps not already in the Army system, or available with ITAM, in limited quantities. In most locations the TSC's ITAMKIOSK is available to Soldiers for free use.

Graphic Training Aids

Numbered GTAs will not be reproduced at the TSC. Several GTAs are on stock or are available for order through the TSC.

Event Programs & Posters

Any one-time event, or an event that is on a specific date and time, will not be supported.

Non-Army work or Training Related

Only products to support daily Army work and Army training will be produced.

Training Support Activity Europe (TSAE) provides Visual Information (VI support IAW AR25-1 and DAPAM25-91), to all governmental agencies within United States Army Europe (USAREUR). The TSAE VI program includes services associated with production, acquisition and support pertaining to still photography (official studio and event), videography (capture and productions), multimedia presentations, graphic design and illustration, presentation support, audio visual equipment loans and customer consultations.

(Standard Support Level Services may decrease or increase from year to year according to the funded CLS levels for that FY).

HOW TO SUBMIT A AESMP WORK REQUEST

1. Go to <https://www.aesmp.army.mil/csm>.
2. Click on the I accept button. (If new to website, choose log in with PKI)
3. Login by inputting your CAC pin.
4. Select the **Get Something** option (shopping cart icon).
5. Select the **Visual Information Ordering System** option.
6. Choose **Type of product**:
 - » For all studio photos, select the **VIOS Photography** hyperlink.
 - » Next to **Type of Photography**, select the appropriate photography type; head and shoulders for command / leader board photos.
 - » **Due to DAPMIS sunseting 31 July 2025, any VI activity CONUS and OCONUS is unable to capture and process official DA Photos in their photo studios.**
 - » For photo coverage of official events, select **Photography of Special Event**.
 - » To request prints of any file, select **VIOS Graphic Design and Production**.
 - » For graphic design requests, select **VIOS Graphic Design and Production**.
 - » To request Video recording of an official event, select **VIOS Videography and Audio Request**.
 - » To request audiovisual equipment (i.e. microphones and speakers), select **VIOS Audiovisual Equipment Loan & Support**.
 - » To request fabrication services (i.e. training aids) select **VIOS Fabrication**.
 - » **Newborn passport photos are by appointment only.**
7. Fill out the information for the work order request, ensuring that all asterisk-marked* fields are filled in correctly.
8. Click the **Submit button**.
You will then be taken to the AESMP My Request portal for the request. You can track your request at <https://www.aesmp.army.mil>.

TSAE NO COST PRODUCT LINE

Lamination only -11" width and Under	10
Lamination only 20" width	5
Lamination only 24" width	3
Print 11x17	10
Print 11x17 w/lamination	8
Print 11x17 w/lam on board	4
Print 20x24	8
Print 20x24 w/lamination	5
Print 20x24 w/lam on board	3
Print 24x36	4
Print 24x36 w/lamination	3
Print 24x36 w/lam on board	2
Spiral binding	3
Products larger than 24x36	fee for service
Quantities exceeding baseline	fee for service
Special Materials	fee for service

TSCs will strictly enforce the No-Cost Product Line guidance above when determining the quantity of self-help products to provide without funding from the customer.

Please note: The TSC cannot accept no-cost back-to-back work orders from the customer (individual / company level/section/agency) within 72 hours or split work request to circumvent baseline service limitations at no cost. The customer is required to wait the 72 hours from completion of a work order before submitting another. The TSC is required to initiate a WBS cost transfer to support requests that exceed baseline cost limits. Instructions and cost estimates will be sent if you decide to fund this request. Production will start after the funds are transferred.

GPC, cash or credit cards are not accepted. We're only able to accept funding via DRCH WBS from USAREUR-AF G8.

GRAPHIC DESIGN

The graphics section provides design services, printing, laminating & mounting, and self help support for training purposes.

All graphic service needs are taken by appointment only and can be scheduled online at <https://www.aesmp.army.mil/csm>.

All products have a 2 week turn around time! If a longer time is required, you will be notified.

If you have fabrication requests such as wooden display boards—these are forwarded to TAPC in Grafenwoehr.

For mass printing or duplication services needs you can go to <https://www.dla.mil/Document-Services/Printing-Services/>.

Lamination and Mounting

When putting in a work request remember to indicate if you need your prints laminated or mounted on foam-board or posterboard. Only permanent or reusable signs are mounted.

Design Services

For official projects you may request the design and layout for:

- Coins, plaques (design only)
- Programs, flyers, booklets, certificates (no printing—design & layout only)
- Crests, logos, patches
- Signs, displays, posters, charts, tracking boards, presentations

Self Help

In some situations you can request or will be given the option of doing your project as a self-help with instruction by the VI Specialists.
